An Angel's promise

Lyrics by: Fumiko Fujii

Composed by: Norio Arita

Arranged by: Norio Arita

Sung by: Miki Furukawa

YOU MAY DREAM by following this honest feeling
If I can tell you my feelings, my DREAMS will COME TRUE
YOU MAY DREAM that my pure white love will become wings
Then an angel's promise will come true
Where you smile peacefully, my heart is overflowing with dance
I learned more about you by looking at your smile
I want to gather my courage to tell you what I feel

YOU MAY DREAM by following this honest feeling
If I can tell you my feelings, my DREAMS will COME TRUE
YOU MAY DREAM that my pure white love will become wings
Then an angel's promise will come true

Whenever your image shines, I have a heartful of love for you
My longing for you turns into tears that run on their own account
I tell myself, I don't be afraid of getting hurt, instead make an angel's
promise to myself.

YOU MAY DREAM by embracing this feeling right now.
I want to turn my feelings into words, I LOVE YOU
YOU MAY DREAM that my pure white love will become wings
Then an angel's promise will come true

YOU MAY DREAM by following this honest feeling
If I can tell you my feelings, my DREAMS will COME TRUE
YOU MAY DREAM that my pure white love will become wings
Then an angel's promise will come true

Into a dream

Lyrics & Composed by: Yumi Inoue Arranged by: Shiroshi Mitsumaru

Sung by: Atsuko Kikkawa / Chikako Suzuki

What are you looking for? Is it hard to find?
You have looked inside your bag and also inside your desk
But you still can't find it

Will you continue look for it more? Instead, will you dance with me?
Into a dream- don't you want to go into a dream?
Go-go-go shall we?

You are not permitted to take a rest. You are prohibited from laughing.
What are you looking for
gossiping with your hands and knees on the ground
It's often the case that as soon as you stop searching

You'll find what you been looking for
Let's dance into a dream
Don't you want to go into a dream?
Go-go-go- shall we?

What are you looking for? Are you still looking for it more?
Into a dream, don't you want to go into a dream?
Go-go-go- shall we?
Ah-go-go-go- (Into a dream) go-go-go- Into a dream!
Go-go-go-go- shall we?
