A Piece of Love

Performed by: Picasso
Lyrics by: Shota Namikawa
Composed by: Tetsuya Tsuchida
Arranged by: Picasso

Manatsu no hitomi / mabuchi sugiru hodo
Nurete shiroi shirushi / kokoro wa mitemai
Itsumo tsuyogari na / kimi ga bonyari to
Ute o mitaru kara / hōmei mo tsukusai

Midsummer eyes, the brighter it gets...
(Despite) your dampened white shirt,
I can't see your heart

You, who always act so strong, in a daze...
While staring out to sea,
I can't rest my head on my arms

Tomodachi no mama de / taki ga sugite yuku
Jin-gin shiragane...

Time goes on, with us no more than "just friends"
As I become more and more frustrated

* Kimi wa [a Piece of Love] / pasuru na bakari kokoro ni kakushiteru
Itsumade mo haimarane / tabi sango ga utamaru

[a Piece of Love] samoshigara de / kurasu ni mo naranadate
Sorechigai kotoshi / tsuyogaru hodo doshikute naiteru

You're [a Piece of Love], hiding the pieces of the puzzle
In your heart
We'll never be able to even begin
And we won't be able to sing our love song

[a Piece of Love]
You get so lonely, you can't be upfront about your feelings
We miss each other by inches, we get hurt, and the more you
Resist me, the more I love you

Ki ga tsuketa gin no / nami wa wari ni
Kimi no oshimete ni / tsukidawasette
Imada [kimi] mo soso / moshiro chikaku naru
Hohemu ni funte...

When I come back to myself, I notice the waves
Have become orange
They no longer lap at your feet
We've yet to kiss, but
We become closer
Touching your smiling face...

Kimi wa [a Piece of Love] / saigo no hitoku
Doko ka ni wasureteru
Kono mama ja hajimaranai / omoide ni mo kanawanai
[a Piece of Love] kurasu na kokoro / kokoro kara afurateru
Kikaku goti atarashi raito sango o kanadete / tsukidawasette

You're [a Piece of Love]
The final (piece of the puzzle) has been forgotten, somewhere
At this rate, we'll never be able to advance
And I'll never be able to surpass your memories

[a Piece of Love]
Sincere words tumble forth from my heart
I can hear it! the words of our new love song — I want to sing them
On your lips.

* refrain

[a Piece of Love]
[a Piece of Love]
